## ENTRY FEE & REGISTRATION

There's no cost to join the OCCC, however, we have found that with many successful programs, businesses may choose to pay all (at a discounted rate) or some of the employees registration fees. Other business just encourage runners to participate with a discount code.

Each business must have a designated Team Captain to organize, recruit, be the company liaison, etc. The Team Captain will be fully reimbursed for their registration fee when the team reaches the minimum required registered runners (not including the captain).

The Team Captain will assist/decide on the registration/billing method of the team.

The options are:

1. Group Upload- team captain collects all information for each runner on an excel sheet provided by The OC Marathon. **Company Pays Registration Fees in Full**
2. Team COMP Code- Runners register individually. The group is tracked by the code. **Company Pays Registration Fees in Full based on code usage.**
3. Team Discount Code- Runners register individually. The group is tracked by the code. **The company may contribute to a % of each registration fee, or each runner pays for their own.**

## SCORING/AWARDS

There are three separate categories for teams.

(We have three separate divisions based on the number of employees in the firm.)

1. Small Company .....10-50 employees
2. Medium Company .....51-500 employees
3. Large Company .....501+ employees

Small teams must have a minimum of FIVE employees. Medium and Large teams must have a minimum of TEN employees

*Points are given for each registered runner/employee depending on the distance*

### **PARTICIPATION AWARD - "OC MARATHON'S FITTEST FIRM"**

The winner of each category receives public recognition and a custom trophy to show off at the office

*For every full marathon finisher, the team will get THREE points  
For every half marathon finisher, the team will get TWO points  
For every 5K finisher, the team will get ONE point  
Participants that finish the 5K and half or full combo will be counted for both events, i.e. FOUR points for a 5K/Half Combo finisher and FIVE points for a 5K/ Combo finisher.*

## RULES

1. All business/corporations, profit or non-profit, or any municipalities are eligible. Charities Non-employees (i.e. family members, friends etc of employees) are not eligible to have their participation count towards the points.

2. Charities (and their fundraisers) and gym/sports clubs (and their members) are NOT eligible to be a part of the OCCC. However, if a gym staff includes only their employees for their team, then they can certainly participate

3. There are three separate categories for the teams (Small 5-100, Medium 101- 500 and Large 501+) Small teams must have a minimum of FIVE employees. Medium and Large team must have TEN Points are given for each registered runner/employee depending on the distance
